

SMART | Lumio™

Professional Learning

Maximize the impact of your SMART and Lumio investment
Specifically designed by educators to meet the pedagogical needs of the classroom, SMART's Professional Learning will enhance your educators' existing teaching practices with technology and help you improve student outcomes.

Your Professional Learning session features:

- ✓ Up to 30 participants (teachers, coaches or site-based leaders) for in-person training, 150 participants for virtual sessions
- ✓ Integration of your existing curriculum content and learning materials with your SMART solutions
- ✓ Content tailored to meet your organization's technology and learning goals
- ✓ A robust training resource sharing package for participants to share with colleagues
